GOVERNOR PRESENTS TOP C.M.F. AWARD

Pictured above is the Governor of Victoria, Sir Rohan Delacombe, presenting a sword to Seaholme resident, Lt. Col. Neale Edmund Davington, of Cambridge-st., who won the top Australian award for Citizens Military Forces.

FORMER NEWPORT POLICEMAN WINS VALOR BADGE

One of the first constables to receive a Police Valor Badge at a passing out parade on June 30 was once stationed for two or three years at Newport police station and lived in Gordon-st., West Newport.

He is First Constable Ken Savage, of the Wireless Patrol. Several years ago he left Newport for the Mobile Traffic Section and later joined the Wireless Patrol.

Awards will be made to First Constable Savage and First Constable Michael Duthie, of Victoria Dock Police, in recognition of their actions in apprehending and disarming a mentally deranged man at the corner of Ferras and Bridport-sts., South Melbourne, on February 6.

Although the man was threatening to shoot anyone who came near him, First Constable Savage walked to within 10ft. of him and spoke to him for about 30 minutes until the man asked to see a doctor.

First Constable Duthie, carrying a brief case to nose as a doctor, gained the man's confidence by ordering other police from the area and got close enough to knock him off balance.

Both policemen then overpowered the man.

COMPETITION FOR YOUNG READERS

A book review competition is currently open for young borrowers from the Altona Public Library.

Children are invited to submit reviews of any three books of fiction borrowed from the library. The reviews are restricted to works of fiction.

Winners will be awarded prizes during the Arts Festival Week, starting at the end of July. There are three sections—JUNIORS, aged seven to nine years; INTERMEDIATES, aged 10 to 12 years; and SENIORS, aged 13 to 16 years.

Each review should briefly outline the story as well as give relevant details about the author, the characters, the plot, etc.

Entries close Wednesday, July 26, 1967.

Student Fatally Injured

A 14-year-old student of Altona North Technical School was accidentally knocked from his bicycle and fatally injured at about 5-15 p.m. last Thursday, June 1. He was admitted to Footscray and District Hospital and died soon afterwards.

The victim was Rodney Arthur Haynes, son of Mr. and Mrs. Len Haynes, of Rose-st., Altona.

The accident, involving a car driven by Maurice Tait, of Seaholme, occurred as Rodney was riding south in Millers-rd. between Kororoit Creek-rd. and the bridge.

Rodney, a boy of excellent behaviour and very co-operative in all school activities, was regarded highly by teachers and students at the technical school.

His favourite sport was squash. But his main interest was the St. John Ambulance Cadets.

Two years ago he joined the Altona Cadet Division of St. John Ambulance and had risen to the rank of acting sergeant—he would have been promoted to sergeant later this year.

His death is a severe blow to St. John's, as he was regarded as one of their best boys and a lad the community could ill-afford to lose.

Marching in front of the cortege when it left the funeral parlour last Tuesday was a contingent of 14 of the older cadets from the local division. They also formed a guard of honour at the Western Suburbs Crematorium.

The coffin was draped with the St. John flag and Rodney's beret rested on top.

Wreaths were sent from his friends at school, from the staff and students, St. John Cadet Division, St. John Officers and St. John Headquarters, who were represented at the funeral by Corps Officer Mr. Gilmore.

Mr. and Mrs. Haynes have two other sons, Gary and Ivan, and a married daughter. Rodney's twin, Ian, died as an infant.

TRAWLER BUILT IN BACKYARD

Just a short distance from the main thoroughfare in Werribee, a small part of the history of this town is being made.

For the past eight months, a handful of men have been building a boat. The first all-steel trawler to be constructed in these parts, this is in "Darcy's Dockyard" (as it is known).

The owners, Mr. Darcy Preston and Mr. Graham Gardiner, combined efforts and Christian names to choose the name of "Darcy Grace"—under which it will sail.

The 50ft. boat, all welded, and weighing approximately 25 tons will be powered by a 150 hp Scania Valis engine of Swedish manufacture. In an interview with the owners, Mr. Gardiner stated that it will be loaded by crane, on to a waiting transport to be transported to 26 South Wharf on June 13.

There it will be lowered into her first taste of salt water, and trials will begin.

Asked if the trawler will be manned by certified officer, Mr. Gardiner laughed. "Yes, we have been going to navigational school for some time and after a few trips on the scallops we may go for the tuna." And with this remark was called away to attend to his other business—dry-cleaning.

The First Ten Years

"I believe that this shire has many things to celebrate—once it was a perimeter municipality, but now it is a bustling industrial and suburban centre that is a credit to the 210 municipalities in Victoria," said Mr. R. J. Hamer, Minister for Local Government, at Altona Shire's tenth anniversary celebration dinner.

The dinner, following a Commemorative Council Meeting last Monday night, was held at the Altona Receptions and was a great success.

The expected number of 400 people did not turn up and the shire will be footing the bill for most of the expenses. About 200 people were present.

But the night was quite an event for Altona.

The food, wine and music were good and the speeches not too long.

Shire President, Cr. S. G. McIntosh, welcomed guests, who included Mr. Hamer, Mr. A. W. Knight, MLC, Mr. W. L. Floyd, MLC and executives from the Commonwealth Bank and Local Government Departments.

Also present were the Shire President of Werribee, Cr. J. Bellin, and Werribee Shire Secretary, Mr. N. G. Minns, who had attended to secretarial duties in Altona Council from severance until October, 1957.

when the present secretary, Mr. J. W. Waters, assumed his duties.

The first Shire President, Mr. G. Ransom, was not able to attend because of illness.

Cr. H. W. Lee paid tribute to past councillors. He said they had done a great deal of work in bringing the shire to its present standard. He welcomed Cr. W. G. Cresser, the only remaining councillor who was on the first council.

He also welcomed past councillors, Messrs. H. C. Kim, R. Logan and R. J. Cooper (all ex-presidents), and Messrs. R. Frazer, F. Rush and R. Watson and councillors from Williams-town and Sunshine.

Mr. Hamer, amid some laughter, said the night could be termed a "tin-anniversary" which was being celebrated in a one time bowling alley. He said it was a tin anniversary because that is what they call the tenth anniversary of weddings.

Mr. Hamer added that the council had achieved a great number of things during the years. Not the least among these was the erection of a fine council chamber, the encouragement of a Junior Council and its work in keeping the beaches clean.

He said the shire's income had risen from \$75,000 to nearly a million dollars and pointed out that the council had had to face many problems over the years, but it had emerged triumphant.

The following letter was received by Cr. S. G. McIntosh, Shire President, on June 7—

"Dear Cr. McIntosh, "My wife and I would like to thank you for having us as the guests of the council at the celebration of the tenth anniversary of the founding of the shire."

"It was an impressive occasion and also an enjoyable one, and your guests joined in the celebration with obvious pleasure."

"I should like to commend the council for its thought and also the Shire Secretary and his officers for the very excellent arrangements made, which ensure the success of the evening."

"Yours sincerely,

R. J. Hamer."

Two New Rooms For Seaholme State

Two new classrooms are to be added to Seaholme Primary School.

The Assistant Minister of Education, Mr. J. Rossiter, advises tenders for construction of the two rooms are about to be invited and will close on June 20.

ARTS FESTIVAL PLANNING

Planning for the Altona Arts Festival, to be officially opened on Saturday, July 29, is now entering the final stages.

The Organisation Committee of the Altona Arts Council reports a full program of activities is scheduled for the week.

The Festival will include puppet shows, drama, films, folk dancing, orchestral and choral items, band recitals, ballet, flower shows, photographic display and an exhibition of art, including painting, sculpture, pottery, etc.

LAVERTON BOY ATTENDS RAAF AIR TRAINING CAMP

It was a "thrill-a-minute" school holiday for 140 Victorian cadets of the RAAF Air Training Corps when they attended a training camp at RAAF Base East Sale in May. With school worries behind them for a few days the lads, aged 14 to 18, fired rifles, flew in Air Force Dakota aircraft and watched the RAAF's crack acrobatic team, the Telstars from East Sale, at practice in their Vampire jets.

Pictured here at rifle practice are (from left): Cadets RON SCOTT, Ascot-st., Ascot Vale; RICHARD OLIVE, Bladin-st., Laverton; STEPHEN LIPPINGWELL, Strathern-ave., Moreland; and DENNIS REID, Bellard-ave., East Coburg.

\$60000 PIER ST. LAND BID REFUSED

A bid of \$60,000 was refused for the six business or shop sites at the corner of Pier and Queens-sts., Altona, which were offered for auction last week. Reserve was \$70,000.

The land was first offered as a whole and bidding opened at \$30,000. This quickly rose to the highest bid of \$60,000, but below the vendor's reserve, was not accepted.

The land was then offered in six separate lots—five sites with frontages of 21ft. 6in. to Pier-st., and depths of 80ft. and a corner block with a frontage of 41ft. 6in. to Pier-st.

However, the auctioneer's attempts to open bidding on any lot at \$6000 were unsuccessful. Nobody bid for any one of the sites.

The auctioneers, W. B. Simpson & Son, of North Melbourne, announced they would be available should anyone be interested in negotiating a private sale.

The auction, held in the Altona Life Savers' Hall, was attended by 30 people, including local business people, bank managers and estate agents.

EDITORIAL

BROONS ESTATE

Faced at their last meeting with the necessity of a decision on a matter of some importance to Altona's future, the Altona Shire Council had before it two alternatives—

1. An immediate decision; or
2. An adjournment to the next council meeting.

It is unfortunate that fuller consideration was not given to Cr. G. den Dulk's proposal of adjournment.

The council, in addition to its local knowledge, had had a 16-page submission from Mauri Bros., a reasoned argument from a Queen's Counsellor, a letter from the Minister of State Development and a statement by the Directory of State Development.

"In another place" with all this new material, the debate would have been immediately adjourned.

In fact Cr. den Dulk's motion did not go far enough. An examination by technical officers of the shire and possibly those of appropriate government departments could have been requested.

The submissions based on behalf of Mauri Bros., together with the question of how practical, efficient and acceptable the proposed modifications would be, should have been expertly examined and referred back to the council.

The suggestion that both Broons and Mauri Bros. required an immediate decision definitely was not a sufficient reason to expedite a matter so vital in its implications for Altona's future.

Even if the adjournment had been approved it is quite possible that the ultimate decision would have been to confirm the council's present motion. There would then have been the satisfactory knowledge that the council had given fuller consideration to the proposal.

ALTONA TOO GOOD IN HOCKEY FOR FOOTSCRAY

Determined to break their bad run, Altona's A Reserve team showed more will and effort to win against Footscray at Altona last Saturday.

Starting strongly, Altona scored within minutes with a goal from Dennis Bartlett at centre forward. The ball then see-sawed from backline to backline and the game into roughness more than good hockey.

Footscray missed a penalty flick and tempers started to flare in both teams.

Finding an opening the Footscray forwards then levelled the score to one goal each at half-time.

After the break and starting in their usually slow way, Altona were unable to stop Footscray scoring again.

Being down 2-1, things looked bad for Altona—and then things started to happen.

Trying harder than ever, Altona came back into the game with force and the sort of effort which they lacked in previous matches.

A well-earned goal was then scored by Graham Hurrell at inside right, quickly followed with another from Dennis Bartlett, which put Altona in the lead.

Altona went on to win the game, and most of the fight, 3-2.

GOALS: Dennis Bartlett 3-2 and Graham Hurrell.

BEST: D. Bartlett, J. Gardner and G. Hurrell.

B NORTH

Playing Old Melbourneans, showed good defence in a game which lasted 70 minutes without a goal. The Altona forwards showed good penetration but were unable to capitalise on the many opportunities given them.

Had they moved to the ball and delivered their passes quickly and accurately, their attempts would not have been in vain. John Lawley, showing that he was the fittest player on the field, was the best in attack, as in defence once again Bruce Forrester showed goal-keeping potential any goalie would be proud of.

This goal-keeper will put Altona into A Grade and himself into the Victorian team if he keeps showing the potential that is governing his game.

The final result of the game was a nil all draw.

BEST: J. Lawley, B. Forrester and D. Speckman.

C GRADE

C North were defeated by Essendon Grammar School Old Boys 3-0.

The game opened with EGSOB scoring a goal early and then two more half way through the first half.

With several positional changes Altona grimly defended after half-time.

Altona looked a good team

JUNIOR SOCCER REPORT

Altona Soccer Club's Under-12 team have a goal-scoring record in sight. Ninety-seven goals for and only four against in 10 games is a great effort.

Already the national newspapers have given them publicity and there is a lot more in store.

Nat Little, free-scoring centre forward, has been pictured along with his mother and father. Sixty-three goals is his tally so far this season.

The team is T. Gibson, P. Thomson, R. Dunlop, A. Donnelly, G. Beben, R. Gilpin, A. Spencer, B. Roberts, N. Little, R. Gransbergen, R. Sullivan, J. Grielle. Coach is V. Vella.

JUNIOR RESULTS

Altona Under 12A 11, d. Newport 1.—GOALS: Little 5, Spencer 3, Roberts 2 and Reardon.

Altona Under 12B 0, lost to Sunshine City A 12.—BEST: S. Walker, A. Howie and A. Mijat.

Altona Under 14 0, lost to Footscray J.U.S.T. 6.—BEST: J. Collins, M. Micevski and Studart.

Card Evening For Altona Guides

A card evening will be held on Friday, June 9, at 8 p.m. in the Altona Guides Hall.

All proceeds go towards the Altona Guides and the 50c entrance donation includes supper.

and with several opportunities could have won this one.

BEST: C. Turner.

UNDER 16

Altona played Reservoir High School at Royal Park with the final score seeing Altona win 1-0. Once again this team played with a half-hearted effort.

Selectors now have the reserves to choose from, which will make every player pull his weight or be stood down for the following game.

BEST: Brian Smith, for repeatedly turning the opposition back and his thought in delivery of the ball to his players.

GOALS: C. Muscat.

UNDER 14

Altona commenced the game against Brunswick with poor and uninteresting hockey. To many players were caught standing flat-footed, enabling Brunswick to break through and shoot at goal.

Intelligent play by Richardson at centre-half gave his players many opportunities to go on and score five goals.

BEST: Richardson.

UNDER 12

Brunswick were no match for Altona in a one-sided, hard-slogging game, and Altona won 5-0.

Altona's position play, coupled with a determined forward line, kept the ball in the scoring zone most of the game and it was only Brunswick's never-give-in defence which made scoring difficult.

Next Saturday Altona face the hardest game of the season when they meet Greensborough (1) on the local ground at 9-15 a.m.

GOALS: J. Forrester 2, K. Bennet, S. Breen and G. Groves.

BEST: J. Forrester and J. Mallet.

FORMER RESIDENT IN ACCIDENT

Mrs. Marlene Gray, only daughter of Mrs. R. Hunter, 52 Queen St., Altona, was also injured in the accident near Tongala on May 21 in which Jeff and Margie Summers lost their two small daughters.

Friends will be pleased to learn that Mrs. Gray and Mrs. Summers (formerly Margie Stanyer, also once a resident of Queen-st.) have been discharged from hospital.

Others injured in the accident and now out of hospital were Mrs. Gray's small daughter, Leanne and a niece of Mrs. Summers.

The two women and four children were travelling in the one car.

3rd Altona Scouts Activities

The 3rd Altona Scouts were beaten by 1st Williamstown Sea Scouts in a football game last Saturday afternoon.

Though Altona had the support of some players of the other team, 1st Williamstown were too good for them.

Thanks to the umpire, Mr. Horner, who did a terrific job.

Being a beautiful afternoon, the Scouts had expected more cheering-on from the parents. The boys need your interest and support in all activities.

The Group's birthday social is on Friday, June 16, at the Presbyterian Church Hall, Chelmsford, Newport. All parents of the Cubs and Scouts are invited.

The Cubs evening has been changed from Monday to Thursday from June 15, 7 p.m., at the Methodist Church Hall, Sixth-ave., Altona North.

A recent special effort conducted by the group was won by No. 36. K. Patterson.

EWEN-MARSH WEDDING

—Photo by courtesy Bob Hawkins, 15 Jennings-st., Laverton.
Honeymooning in New South Wales following their marriage at Holy Trinity Church, Williamstown, on May 27, are Mr. and Mrs. Garry Ewen, pictured cutting the cake at the reception held at the Albot Hall, Williamstown.

The bride is the former Dawn Marie Marsh, younger daughter of Mr. and Mrs. Vic Marsh, Railway-st., Altona. The bridegroom is the second son of Mr. and Mrs. G. Ewen, of Racina-ave., Seaholme. For her marriage the bride wore a slim lined gown of nylon lace and a pearl coronet. She carried a bouquet of roses and Lily of the Valley. Matron of Honour was the bride's sister, Mrs. Marion Farmer, and bridesmaids were her cousin, Pauline Marsh, and Kaye Farmer. They wore black and white dresses and carried white bouquets, roses and Lily of the Valley.

Best man was the groom's brother, Bruce Ewen, and the ushers were another brother, Russell Ewen, and Mr. G. Shirley.

The bride's mother wore an all-suit and red accessories, plum-coloured ensemble and blue accessories were worn by the bridegroom's mother. More than 120 guests attended the reception at which a telegram was read from relatives in England and a cablegram from the teacher at Seaholme Primary School, Mr. David Manning, who is on 12 months leave from the Education Department.

Over 200 Attend Mannequin Parade

More than 200 ladies attended the mannequin parade organised by the Seaholme Kindergarten Mothers' Club and presented in the Civic Hall on May 30. A varied and attractive array of clothing from leisure to evening wear by "Eve Gwendoline," of Railway-st., Altona, was displayed by a number of local mannequins some of whom are becoming quite professional in their manner of showing. The Mothers' Club is pleased with the interest shown by the ladies and for their support of this function.

DRAMA GROUP REHEARSES FOR ALTONA ARTS FESTIVAL

Rehearsals are already well under way for the Altona Drama Group's contribution to the Altona Arts Festival.

This will take the form of a one-act play—"The Faithful Widow of Ephesus"—a Greek comedy.

Isabel Mackey, producer, has selected a cast brimming with potential talent, including four very attractive young ladies—Brenda Overton, Linda Bradley, Pauline Lawley and Ruth Mackley.

A great deal of research is going into Greek costume and architecture and the Altona Public Library has had quite a run on its resources in this field. Frank Mallet and Arthur Kent are working on the set design.

Embarking on their first fundraising activity towards costs of future productions, other members are engaged in presenting a mannequin parade, this will be held at the Civic Hall on June 19, at 8 p.m. Refreshments will include wine and cheese and members of the group will act as models under the tuition of Mrs. Brownwyn Hawkins, of Beta Sigma Phi.

The garments are from the Villa wool collection and some will be "way-out." Ladies may like to bring along their husbands as there will be some men's wear on display.

Tickets are only 50c each and obtainable from Altona Toyland in Pier-st., or from any Drama Group member.

Familiarisation readings of "The Reluctant Debutante" are currently being held to enable members to take full opportunity of the auditions for the second full-length production which will take place on July 10.

TRAVEL FILMS FOR SCREENING

Travel films will make up most of the program being shown by the Altona Film Society at the Civic Hall on Tuesday, June 13, starting at 8 p.m.

The program includes Canberra Lakes Springtime, Invitation to Leisure, The Magnetic North, The Sunshine State, Weekend at Cradle Mountain, and Antarctic Crossing.

Laverton Residents Naturalised

As the average family is settling down to the well deserved relaxation in the evening, they give little or no thought to the many naturalisation ceremonies that are taking place, possibly at that moment!

Such a ceremony took place last Wednesday night at the Werribee Shire Hall.

Two lovely Laverton residents were taking an active part in the ceremony. They were Mrs. E. Nagy, of 46 Thomas-st., and Mrs. M. Green, of 5 Studley-crt. Both were, naturally, a little nervous of the ordeal but happy and proud to be "taking the plunge!"

Mrs. Nagy, who was born in Hungary, has been in Australia 10 years; the last five of these in Laverton, and is quite content to be a Lavertonian.

Her husband, who was naturalised about five years ago, has helped his wife with her English to bring about this finale.

Mrs. Green, on the other hand, arrived here from Holland 12 years ago and married an Australian, now serving as a sergeant in the RAAF at Laverton. She likes Laverton and would be sorry to move should her husband be posted. They have been in Laverton three years.

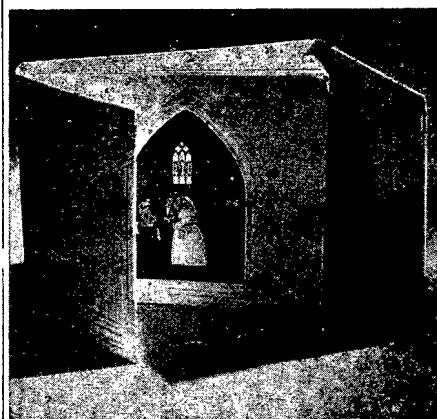

The simple naturalisation ceremony carried out by the Shire President, Cr. J. Bellin, assisted by a small number of councillors, among them Laverton's Cr. B. F. Jackson.

One of the speakers, Mr. Callahan, said: "School masters and teachers should make it a must to attend at least one of these occasions."

Perhaps one could go further and say that every Australian should attend at least once.

Thereby gaining a newer and fuller understanding of the naturalised persons problems.

Public are invited.

NEWPORT BASEBALLERS IN DANGER OF LOSING FINALS CHANCE

After playing two poor games at the weekend, Newport Baseball Club's A Team are in danger of losing their position in the final four.

A draw with Oakleigh on Saturday—after leading 3-0—and then a shocking display against Melbourne University on Sunday has put Newport in a very precarious position.

With 12 matches to play Newport will have to improve greatly in performance and team spirit to stay in the final four.

MATCH RESULTS

A TEAM—SATURDAY
Against Oakleigh at Newport last Saturday Ray Salter hit a home run in the first innings and two more runs were scored in the third and Newport appeared to be heading for a good win.

However, a lapse by Newport brought Oakleigh up to level the score at three all.

Newport's fielding held Oakleigh to a draw in a game that could have and should have been won by Newport.

SAFE HITS: R. Salter (home run), B. Cleary, H. Douglas, G. James, W. Minnett and J. Kelly.

BEST: Ray Salter and Alan McKay.

A TEAM—SUNDAY

Before a large crowd at Newport last Sunday the A Team put in an inglorious display of lack of team spirit against top side Melbourne University and were defeated 10-2.

Never at any stage did Newport look a challenge to MU.

SAFE HITS: J. Maher, A. McKay, K. Johns and R. Salter.

BEST: Keith Johns, Ray Salter and John Maher.

B TEAM

At Oakleigh, Newport played well to defeat last year's grand finalists 7-2.

Keith Johns pitched to John Armstrong and these two held Oakleigh in a full nine innings game which only lasted one and three-quarter hours.

Players from this team are settling down well and are putting pressure on players in the senior team.

SAFE HITS: J. Armstrong 3, A. White 2, R. Simpson 1, K. Johns 1 and B. Webb 1.

BEST: John Armstrong, Keith Johns and Alan White.

C TEAM

After a disastrous beginning

in which Oakleigh scored five runs, Newport, with strong batting and sound fielding, managed to record another comfortable win, 13-7.

Features of the game were the two home runs by Norm Higham and one by Peter Campbell.

BEST: Peter Campbell, Norm Higham and Bill Thom.

UNDER 17

Against Preston at Newport last Saturday morning, Under 17 batted and fielded badly to go down 11-0.

UNDER 15

This young team combined well at Ivanhoe, both in batting and fielding, to win 10-2.

SAFE HITS: N. Lees 5 (including home run), H. Bunting 3 (including home run), G. O'Sullivan 2, H. Zanner 2, G. Thompson, D. Forrester, R. Bunting and G. Sargeant.

BEST: N. Lees, H. Bunting and G. Thompson.

UNDER 13

Even though they lost 14-7 to South Melbourne last Saturday, Under 13's are improving and will win more games as the season goes on.

NEXT GAMES

Games for Saturday, June 10, are as follows—

A and C TEAMS play Caulfield away at 12-30 p.m.; B TEAM meet Caulfield at Newport Sports Oval at 12-30 p.m.

UNDER 17 play St. Paul's away, at 9-45 a.m.; UNDER 15 are at Dugan Reserve, Newport, against Sunshine; UNDER 13 go to Royal Park 1 to play Sunshine, Under 17 and Under 13 are to meet at the Masonic Hall, Newport, at 8-30 a.m.

CLUB NEWS

The special effort for the turkey conducted last week was won by Orange D-86, J. Murphy, 8 Donald-st., Footscray, and sold by Alan Solomonano.

A Players' Night will be held in the clubrooms on Thursday, June 8, at 8 p.m.

ALTONA YACHT CLUB ELECTIONS

The annual election of officers of the Altona Yacht Club was held on Friday, May 26.

Commodore T. Pearl, after 13 years as a flag officer of the club, asked to be relieved of office, owing to pressure of private business.

The large attendance of members at the meeting reluctantly agreed to this, but elected him to the general committee, sailing committee and building committee.

Nominations for Commodore, Vice-Commodore and Rear Commodore rolled in thick and fast, and a ballot was necessary for each office; resulting in the election of popular Heron skipper Jim Grieve as Commodore, top Hornet skipper Ted Phillips as Vice-Commodore and consistent Heron skipper Bruce Bulmer as Rear Commodore.

These three officers are all first-class sailors, good sportsmen and excellent club men.

With such men at the helm, the Altona Yacht Club is looking forward to the best ever season in 1967-68.

Other officers elected were as follows—

CLUB CAPTAIN: John Andress; **SECRETARY:** Peter Harvey; **ASSISTANT SEC.:** Dave Philp; **TREASURER:** Frank Mallett; **JUDGE AND STARTER:** Ron Bartlett; **TIME-KEEPER:** Jack Bradley; **SAILING COMMITTEE SEC.:** Margaret Bulmer; **SOCIAL SECRETARY:** Bruce Bulmer.

On Saturday, June 3, the Altona Yacht Club held its annual presentation and dance at the Altona RSL Hall.

This function, which was in the form of a cabaret, was attended by several members of Altona Shire Council and their

ladies. One hundred and seventy-six members and friends attended and a very good time was had by all.

Class and division winners for the season 1966-67 were—

Letter to the Editor

Dear Sir,

Now that the referendum for breaking the Nexus has been decided it would seem on analysis that the vast majority of Australians were fearful of an increase of parliamentarians with a resultant increase in costs.

Whatever the result there is little doubt that the Prime Minister will eventually seek an increase although this can only occur when the Liberal Country Party alliance gains one more seat in the Senate.

If Australians are as cost-conscious as the latest vote seems to indicate, why should not all electors press for the abolition of the Senate, on current estimates the Senate costs the taxpayer in excess of one million dollars per annum. This sum could quite usefully be better employed in the field of education or some other area where shortage of funds is critical.

We know from our daily newspapers that the Australian Labor Party would vote for this measure as they have re-stated this policy only last week, we also know from statements during the referendum campaign that the Democratic Labor Party believe we are over-governed; the question we now ask is: "Do their own beliefs, to join the DLP have enough faith in ALP in abolishing the Senate?"

There is little doubt that the Senate as a house of review is useless because of party politics, this factor is even more marked in our own State Upper House, which if it wishes need not even bother to debate legislation, however, the point at issue is will and benefit the community by the consequent release of capital the DLP join the "suicide squad" at the same time losing their only voice in Federal politics or through self-interest and the chance of gaining more Senate seats will we find that they no longer believe we are over-governed.

Yours faithfully,

R. F. HARRISON.
[EDITOR'S NOTE: The abolition of the Senate is a Constitutional matter. A referendum would be necessary.]

REMOVAL OF MEANS TEST

A group of people headed by Mr. W. J. Carruthers, director and general manager of Cottess Ltd., have formed the Removal of the Means Test Association (RMTA).

The RMTA will press the government to grant immediately pensioners fringe benefits to all persons of pensionable age, and to introduce a plan for the progressive liberalisation of the Means Test with its final removal within a specified period of time.

The Association believes that Australia has the resources to remove the Means Test in this manner. It's removal would alleviate the distress of many thousands of pensioners whose only crime was to make a small provision for their retirement, thus becoming ineligible for the pension and for fringe benefits received by pensioners. Because of this anomaly many thrive, people of pensionable age are worse off than pensioners.

MEETING ON FRIDAY, JUNE

The RMTA has adopted a constitution and will hold its first public meeting in the Malvern Town Hall at 8 p.m. on Friday, June 9. It feels sure that it will receive the public support that cause deserves. The speaker will be Mr. W. C. Wentworth M.P.

The RMTA is strictly non-party political. It intends to form sub-branches in Federal electorates and to become a national body with interstate branches. Membership is open to all irrespective of age, who subscribe to the constitution and pay the annual subscription (ordinary members \$1, pensioners 50c).

Persons who want further information or who can assist in forming sub-branches can contact Mr. W. J. Carruthers, Malvern-rd., Ringwood, phone 870-6417.

INTERESTING NIGHT FOR CAMERA CLUB

An interesting time is promised for this coming Friday when the Altona Camera Club will photograph the Piano Accordion Band, who will be resplendent in full uniform and proudly displaying their instruments.

This will take place between 7-30 and 8 p.m. and members are asked to bring their cameras and other necessary equipment for this session.

The first annual general meeting is also scheduled for Friday, June 9, with a 100% attendance expected, and now the club, one year young, a reminder that renewal of membership was also due at this meeting.

Although the club has only been formed a short time, membership figures are growing rapidly. It is interesting to note that more members are branching out to home developing and enlarging equipment are passing on their enthusiasm to the others.

METRO. FOOTBALL LEAGUE — SENIORS

ALTONA WIN THRILLER AT EAST BRUNSWICK

In a high stand, tension packed game that had supporters of both sides on their toes from the first bounce to the final bell, Altona defeated East Brunswick by 16 points.

The first quarter saw Altona, with Mario Piovesan, Robin Petersen and Noel Rohleder starring, slam on two quick goals in the first few minutes.

Dennis Boyle, playing his first senior game, was playing with plenty of determination and was showing no sign of first game nerves.

Rielly and Reid were giving drive from the wings and Del York, coming into the ruck, was playing well. Altona scored a third major, then East Brunswick got their first.

Altona were quickly back into attack and the elusive Rohleder kicked his second and Altona's fourth.

Play saw until Schwabbe marked and kicked truly. The quarter ended with Altona leading by four goals. Their good pad was the reward of an all-out team effort.

East Brunswick started the second term full of purpose and were going control in the ruck.

Two quick goals and Altona were on the defensive. But the East big guns were firing and with their forward on top, Altona were finding it hard to stem the tide. Robin Petersen and Dennis Boyle were battling determinedly and their combined efforts enabled Altona to goal through Robin Petersen. But East were quickly into attack again, and three quick goals put the sides level.

Once again they attacked and another goal had Altona's backs to the wall. Half-time sounded with East Brunswick nine points up. They had earned their lead with a brilliant quarter.

The long break showed Altona had problems. Robin Petersen and Del York were virtually on one leg. Mario Piovesan had severe chest lacerations and Graeme Morrish had signs of neck fluid.

The side went out after half-time with Robin Petersen at full forward, Del York at forward pocket, Ron Schwabbe at a back pocket, Barry Hogan back pocket and Bill Devereaux to a half-back flank.

The third quarter started with tension at a high pitch. Players were neither giving nor asking for any quarter. Bill Devereaux with grim determination and great physical strength was playing desperately on the back-line. He was getting good support from Ian Harris, Ron Schwabbe and Tim Gurry and the backline had steadied.

Piovesan was giving one of his typical team efforts and young Dennis Boyle was in the thick of things at centre-half forward. Both sides scored two majors and neither could gain the break.

Tisdale, Rielly and Reid were playing with courage across the centre and Andrew Skelley brought Altona closer with an 'impossible' goal from the boundary line. The siren sounded 'orange time' with East Brunswick one point in front, and the stage was set for a last quarter epic.

Piovesan, who had virtually rucked for the entire third quarter, was on the ball again when the final term started.

Young Johnny Duncan was on a half-forward flank in place of Peter Egan. Both teams battled grimly to break away. Backlines were desperately fighting to prevent scores.

East goaled, then Altona went forward and the elusive Skelley potted his fourth.

East goaled again, but John Duncan, with all the skill and plumb of a veteran, kicked a beautiful 50-yarder. Phil Reid limped off for Altona and Ron Pritchard took his place.

The big-hearted Piovesan carried the ball from Altona's backline, round the stand wing and up to the forwards with a Herculean dash. East's defence stood their ground and went back for a point.

Strong play from Gurry, Pritchard and Duncan, and Ron Schwabbe marked strongly and kicked accurately and Altona hit the front.

Altona went forward again and Skelley marked intelligently and registered his fifth. Altona were showing the benefit of

greater physical fitness in the closing stages and when Gurry, Duncan and Boyle got the ball forward, Skelley marked well and kicked his sixth and Altona had sealed the game.

FINAL SCORES: Altona 15-10, d. East Brunswick 12-12-84.

GOALS: Skelley 6, Rohleder 3, R. Petersen 2, Schwabbe 2, Molloy and Duncan.

BEST: A splendid team effort and most players were worthy of a mention.

NEXT MATCH Altona Seniors are at home to the improving Belfield this Saturday.

ACF RESULTS ACF results are 407, 298, 26, 196 and 71.

DID YOU SEE The cool and elusive play of young Andrew Skelley, who kicked six goals from a half-forward line. Indeed a splendid effort under any circumstances, but even more notable on the small, tight East Brunswick ground. Team mates chaired Andrew from the ground and he thoroughly deserved the honour.

Dennis Boyle, playing his first senior game, came through with colours flying. Dennis held the hot spot of centre-half forward and made a promising debut. John Duncan came onto a half-forward flank at three-quarter time and without any show of nervousness, quickly gained control in that position. He featured in several forward moves, as well as kicking a splendid goal.

Courage shown by the following: Mario Piovesan, rucked continually for the second half; Del York and Robin Petersen, although both virtually on one leg during the second half, battled on gamely and with great team spirit.

Bill Devereaux used his physical strength with hips, shoulders and great experience to upset opposing forwards.

Noel Rohleder played a great captain's game and sparked his team mates off with two intelligent goals in the first term. Noel sets his team mates a fine example in courage and dedication to the club.

Ron Schwabbe battled gamely and took some fine marks, particularly when swung into the ruck to give much needed height.

The willingness and courage of Mal Tisdale, Ian Rielly, Phil Reid and Tim Gurry to get the ball under any circumstances.

Ian Harris used fine anticipation, dash and long clearing kicks to break up many forward moves.

Austin Molloy, after missing two punts, kicked a lovely running drop straight through the centre.

Barry Hogan tried hard all day irrespective of where he was asked to play.

METRO. FOOTBALL — RESERVES

ALTONA HAS SECOND WIN

On Saturday last Altona Reserves scored their second successive victory in the Reserve Division of the Metropolitan Football League.

After leading Reservoir all day they staved off a determined effort by the visitors to run out narrow victors by four points.

Reservoir were only one game outside the four and it is evident now that Altona are playing together more. This was evident last week, particularly the backline, where all players played close and backed one another up.

FINAL SCORES: Altona 7.9.51 d. Reservoir 6.11.47.

GOALS: Henstridge 3, Salisbury, Allen and Drew.

BEST: W. Thompson, Meddings, Douglas, Haugh, Davis and Sheriff.

"STAR" VOTES W. Thompson 3 votes, R. Meddings 2 and G. Douglas 1.

NEXT GAME Altona has the bye next Saturday and are at home to East Brunswick the following week.

WESTERN SUBURBAN FOOTBALL LEAGUE

Central Altona Moves Into Second Place

By their five point win over West Newport last Saturday, Central Altona are now in second position in Open Age.

Top side Altona had a 258 point win in Under-18, and West Newport further proved their supremacy over other teams in Under-16.

MATCH RESULTS

OPEN AGE

Central Altona 9.12-66 d. West Newport 8.13-61. Maidstone 12.8-80 d. Laverton 8.9-57. Newport 15.26-116 d. RAAF 11.5-71. South Kingsville had the bye.

CENTRALS won a thriller against WEST NEWPORT by five points. With less than two goals difference throughout the game the final result depended upon straight shooting for goal and luck was the decider.

MAIDSTONE regained top position by defeating LAVERTON, who displaced them last week and now drop to the third rung. The losers, weakened by injuries, found Maidstone a little too strong.

NEWPORT, whose kicking for goal was atrocious, had a solid match against the RAAF, who showed vast improvement on previous efforts.

UNDER-18

Werribee 24.14-164 d. West Newport 9.18-72. Central Altona 30.19-199 d. Newport 2.9-21. Altona 41.19-265 d. Laverton 1.1-7.

WEST NEWPORT contributed much to their defeat by poor kicking for goal. After being level with WERRIBEE in the second quarter, the winners continued to put on goals, whilst West could only get behinds.

A rejuvenated NEWPORT faced up to CENTRAL ALTONA and although well beaten, showed a determination which indicates that they will kick on.

LAVERTON, like their senior side, were beset with injuries and were no match for the very powerful Altona.

UNDER-16

Werribee 20.15-135 d. Newport 2.2-14. West Newport 25.32-182 d. Devon Park 0.1-1. Altona had the bye.

This round saw the weak pitted against the strong and the results show a big difference in the teams.

A comparison of the average of players of each team in both matches reveals a big difference and the younger DEVON PARK and NEWPORT players deserve congratulations on the manner in which they fight out these games against much stronger opposition.

"THERE'S A GIRL IN MY SOUP"

In the tradition of "Boeing-Boeing", the English comedy "There's a Girl in My Soup", currently creating a sensation in Sydney, will be presented at the Comedy Theatre for a limited season commencing on Friday, 14th July.

This very highly rated laughter show brings back Australian stage, television and motion picture star, RON RANDELL, in the leading role as a middle-aged playboy, culinary expert, whose activities with a mini-skirted teenager creates the situation for all of the laughter. Playing opposite Mr. Randell is the very brilliant English actress, AMANDA REISS, who has been described by the Sydney press as the greatest export England has sent us for many years.

ALTONA GUIDES AND BROWNIES

Two 2nd Class Badges have been passed during the last month. Marion and Carolyn Hatfull.

Cheryl Young gained her Sick Nurse Badge, and Jennifer Harrington was enrolled. During the month, several girls passed various parts of their Second class, and Mrs. Killingback visited the Company on various nights as part of her warrant training.

Congratulations to Mrs. R. Allen on having been awarded her Lieutenant's Warrant in April.

1st SEAHOLME GUIDE COMPANY

Thirteen Guides attended the lining of the drive for Lady Baden Powell's farewell and afterwards walked to the Botanical Gardens to have afternoon tea with 2nd Altona Brownies. During the school holidays, 19 Guides went for a firefighting and cooking day to the National Park at Ferntree Gully.

Eight girls have been enrolled — Beverly Colvin, Karen Turner, Lesley Greaves, Jenny Rice, Pamela Sutton, Linda Herbert, Marcelle Rymar and Lynne Backhouse who has since transferred to Newport.

Lesley Greaves and Cheryl Wallace have passed Thrift Badges and all girls are working well on 2nd Class. This Company is full and no further girls can be admitted. Any other girls wishing to join must enter their names on a waiting list, with Mrs. Winder or Miss Smithies.

Six Brownies who are now over 10½ are to go up to Guides. Two to Seaholme Company and four to Altona Company.

Ann van Teulingen has passed her Gold Hand. Lynne Goldie has passed her Collector's Badge. Kersti Toom is almost finished her Golden Hand. The rest of the Pack have been practising skipping, ball throwing and balance and learning about the Union Jack. Many of them will soon be ready to pass these tests.

Twelve Brownies went to see Lady Baden-Powell on May 6th at the Festival of Friendship. 2nd ALTONA BROWNIE PACK 5 Golden Badges were passed and received by Wendy McEwan, Karyn Faichney, Debra Webb, Kerry Granger and Louisa Noordenne at their enrolment.

This Pack has had outings to Festival Hall and Government House to see Lady Baden-Powell. A farewell Party at Pack meeting was given to Anne and Christine Morris who left on a world tour. Pack gave them a Brownie Friendship Badge each and farewelled them with streamers. Carolyn McGuickian and Janet Morgan held a games afternoon and raised \$3.70 for Pack funds. One handicraft meeting was held and the Brownies made a gift for Mother's Day. Each Brownie who attended to see Lady Baden-Powell received a Brownie B.P. Badge.

Janet Morgan and Carolyn McGuickian are ready to walk up to Guiding with 1st Altona Company.

CENTS FOR SERVICE

Following amounts were raised by these Companies and Packs. 1st Altona Guides, \$13.50 — 1st Seaholme Guides, \$11.55 — 1st Altona Brownies, \$14.07 — 2nd Altona Brownies, \$15.00 — A total of \$54.12. L. CARRUTHERS, D.C.

Others in the cast include Kay Taylor, Bettina Welch, Phillip Colledge, Kerry Francis and Mary Ann Servene.

The comedy by Terence Frisby has been directed by the original London Director, Robert Chetwyn who has given the production a refreshing brightness and quality that adds to the tangy, crisp wit and slick dialogue.

Currently in their last weeks at J.C.W.s. Live Theatres are "HALF A SIXPENCE" at the Comedy Theatre which concludes on Saturday, July 8, and "SWEET CHARITY" at Her Majesty's Theatre which concludes on Saturday 15th July. Both these musicals are top-draw attractions and are drawing deservedly large audiences.

School Makes Donation

Two rugs made by pupils of Altona North Primary School and \$76 given by them for their social service fund were presented at a school assembly last Monday morning to Mrs. Childs for the Chislon Spastic Centre, Seddon.

Richard Kinkel presented the money and Lianne Hare the rugs.

Since the school was first opened social service efforts during the first term of each year have been reserved for Chislon.

Donations are also given to other causes. Already this year \$23 has been sent to the Victorian Epilepsy Society and \$35 to the Blind Babies.

The main objective for the second term is assistance for aborigines.

Rug making is to continue at the school. Squares are knitted, joined together and backed with suitable material. Donations of any odd skeins or parts of skeins of wool would be appreciated by Miss Dorothy Wood, teacher in charge of the Social Service Club which meets after school every Wednesday between 3.30 and 4.30 p.m. The rugs are knitted after school hours.

Letter To The Editor

Dear Sir,
I appreciate Geoffrey Cresser's agitation that the No. vote should, in his opinion, be attributed as a victory for the D.L.P. However, I do not for a minute regard this as the case.

Rather it was most significant that the two D.L.P. Federal Senators were accompanied by EIGHT other Senators when they stood firm on the basis that the present number of Parliamentarians were sufficient.

I think that the 59.02 per cent in favour of restricting the number of Parliamentarians is a convincing majority, especially when both leaders of the major parties instructed their adherents to vote YES.

Either the voters agreed with D.L.P. policy on this particular issue, or else voters would not be bludgeoned into voting as party leaders dictated.

Surely those in public office should remember, that they are elected by, and therefore are servants of the PEOPLE. Therefore, they should be guided by majority public opinion and not be chagrined if most people voted that Parliamentarians in either house are already present in sufficient numbers.

Yours Faithfully,
D. N. DUANE.

State Darts Titles for Altona

During the coming Queens Birthday weekend the Victorian Darts Association has chosen the Altona Working Men's Club as the venue for the Fourth Victorian Singles, Doubles and Teams Championships.

On Saturday, June 10, the Shire President, Cr. S. G. McIntosh, will officially open the championships at 9-30 a.m.

A record number of entries have been received from all over Victoria, and for the first time since the formation of the Association in June, 1963, a Victorian Ladies' Singles Championship will be conducted on Sunday, June 11, commencing at 1-30 p.m.

Highlights of the weekend will be the Singles, Doubles and Teams Championships of 1966 defending their respective titles, as follows—

SINGLES: Eddie Gummer (of Mountain League);

DOUBLES: Harry Howells and E. Goodridge (of Melbourne League); and

TEAMS: Mildura Interclub Sports Association.

It is interesting to note that Harry Howells has been the Doubles Champion three years in succession, partnered by C. Cameron (1964), B. Smith (1965) and E. Goodridge (1966).

The itinerary for the weekend is as follows—

SATURDAY, 10 a.m.: Singles Championships and play to finish, approximately 6 p.m.

On Saturday a cabaret dance will be held at the club and many talented artists have been booked to entertain the expected large attendance.

On SUNDAY at 10 a.m. the Teams Championships will commence and as this event will be a Round Robin with eight players aside, it is anticipated that the event will finish approximately at 4 p.m.

Also on Sunday the Ladies' Championships will commence at 1-30 p.m. and will be played to a finish—approximately 6 p.m.

The final day, MONDAY, June 12, the Doubles Championships will commence at 10 a.m. and play to the finish—about 6 p.m. Immediately at the conclusion of the series the presentation of trophies will take place.

If you are interested in darts and want to see dart playing at its best, come along any time during the weekend.

WESTERN SUBURBS MATCH RESULTS

By defeating RACECOURSE No. 2, NEWPORT is making a strong bid to become the leaders of Division 2. Their only obstacle for the honoured position is ALTONA WORKING MEN'S CLUB. However, this position will be decided this Thursday night when both these teams meet. AWMC must be favourites as they have been winning their matches by good margins, whereas Newport has only been winning their games by the odd game.

YARRAVILLE No. 2 made their debut in Division 2 against EXCHANGE, which proved to be a marathon game, as only 11 games were played before time ran out.

COMMERCIAL just managed to scrape home to win against BRIDGE by the odd game. YARRAVILLE No. 1 scored a convincing 9-4 win over SUNSHINE GOLF CLUB.

In a close tussle, GOODRICH managed to overcome PIONEER in the teams game to take out the match by the odd game. Although only four "tons" were thrown throughout the match, the majority of games were finished in under 20 darts—the lowest being 13 by I. Mayne against J. Crooks.

GOODRICH No. 2 notched their first win when they defeated LAVERTON PROGRESS by the odd game. However, LAVERTON had only six players. Tom Edwards broke his arm during the afternoon and then another player had to work overtime—had LAVERTON been able to field another two players the result could have been different. Goodrich fielded four new players in Bob Folan, Ron Loveridge, Jim White and George Hartley.

BRISTOL HOTEL maintained their unbeaten record when they defeated CENTRAL 9-4.

DEER PARK coasted to an easy victory when they were at home to RACECOURSE No. 1 by losing only one game in the match.

ICI disposed of an unsettled ASHLEY No. 1. Bill White (captain and secretary of Ashley) is very ill and the team and club at the moment is in a turmoil.

ASHLEY SCRATCHERS won two premierships points when they defeated WERRIBEE by the odd game. During the game M. Campbell and J. Cahill, both of Werribee, were "white-washed." In the doubles J. Cahill and D. Nixon were also "white-washed."

In the match between SEAHOLME and SUNSHINE RSL, Terry Rogers was the only Seaholme player to lose his match and in the doubles Rogers and R. Baley lost their game to J. Stenta and R. Woodburn.

The Ellis brothers, Wally and Mick, were both on the bench last week and according to the club's rules, this week Ken Kennedy and Dario Sanfilippo, although they won their games, will be on the bench this week.

"GET YOURSELF A RECORD"

Why is it that today the average young bloke isn't a member of the IN-CROWD unless he's managed to obtain a minor conviction of some sort, or better still, a prison sentence of at least three months?

There's no need to draw back in horror at this question, because it's a fact that these days "you just 'aint with it" unless you've got a record of some kind.

There's nothing to it really, and young men find plenty of ways to get into trouble. These include brawling, assault, car and petrol stealing, abusive language, various driving offences, and petty theft, etc.

Admittedly most of these cases are the result of poor parental control and the fact that one is far from perfect in this confused world.

I guess I'm no exception as I've always had a wild hankering to steal the siren from a police car, but this would be folly as I wouldn't be able to hear the police chasing me.

If only young chaps would stop to think before they do something rash they would be better off, because when they finally realise their foolishness and regret their actions it is generally all too late.

Excessive drinking is undoubtedly the biggest cause of juvenile offences today.

What does the average young man find in a beer? Extra courage? A means of escapism? Why is it that some boys spend fortunes on "hotting up cars" and then do their best to write them off any way they can?

To know the answers to these questions one must mingle with the gang and study their minds - the result is a better understanding of today's young crowd.

In his efforts to get through to young people one British minister used to derby around on a 650 cc motor cycle, dressed in jeans and leather-jacket and this produced astounding results.

I think the moral of the story is that young folk today need parental love and understanding, accompanied by firm parental control (control by Dad's strength of character in preference to his physical strength).

GOSSIP

Judy Durham has left The Seekers and recorded a solo.

British pop trio, The Cream, which comprises old members of Manfred Mann and Yardbirds, is not selling too many records in Australia.

Lynne Randell is expected back from America in August.

Latest New Zealand group to hit the scene is The Lah-Dahs, who arrived in Melbourne after Larry's Rebels left.

Latest Melbourne group, The Groove, consists of exiles from Max Merritt and The Meteors, Clefs, Running-Jumping-Standing-Still, Steve and the Board and The Playboys. Man, what a line-up! These boys only team up three weeks ago and their sound is said to be pretty good.

Latest rage in Brisbane is the DIAL-A-TEC-teens who can ask each other for a dance by telephoning across to each other's tables. This apparently helps them to overcome shyness. Meanwhile, in Melbourne discos you don't have room to be shy.

New Sunday afternoon dance in Footscray will be held on the top floor of the Grand Cinema. Big Melbourne groups will be featured—so watch for further news.

Sydney DJ Ward Austin is in London and will bring back to Australia exclusive interviews with British pop groups.

See NEV'S VARIETY BAR for 70c record specials.

There's a new Saturday night dance at Belmont, Geelong, if you're interested. It's called MOTOWN.

Lorne's a popular place with some Altona boys—not so Geelong.

Recently Johnnie Walker got the better of one of the "FOUR BUMS."

I strongly predict a return to '56 this year.

It is good to see the older members of the OUT-CROWD setting a good example, like the

FOR ALTONA'S TOP BOOKINGS GROUP

"THE KULT"

398-1701 AFTER 6.30 p.m.

other day I saw "Good Samaritan" "Bluey" Ward help a blind man across the road. (Maybe "Bluey" was "blind" himself.)

Drummer of new Melbourne group The Groove toured America with jazz drummer Gene Krupa a few years ago.

One group to watch is Phil Jones and the Unknown Blues from Sydney.

Phantom Ferret won't wear GYPSY ROSE at any price.

New Spencer Davis group formed.

Guitarist Vince Maloney has joined Bee-Gees.

Dick Van Dyke will give up show-business within four years.

COMPETITION RESULTS

David Stirling, of Altona managed to think of 443 different pop groups—most of these were Australian. David may choose his free record from Nev's Variety Bar.

Runners-up were Lorna Thompson, Altona; Rhonda Douglas, Seaholme; and John Scott, Seaholme.

THIS WEEK

Already we have witnessed the rise of Mods, Sharpies and now Stylists.

Suggest a new name for the next movement and describe the kind of clothes you think they might wear—never know, you might start off a new craze.

Sender of the best entry will win a free record from Nev's Variety Bar.

Address all entries to S.S.S. Competition, 101 Pier-st., Altona.

New Members

New members of "Stars, Saints and Sinners" this week are—

HONORARY: Chris St. Nicholas and Wild Willie Barber (the Gobble Shop);

CLUB: Dianne Elliot, Seaholme.

FRANK'S FIGHT

Lionel Rose's fight on Friday, June 9, will be of special interest to American singer-actor-tycoon Frank Sinatra.

Frank is sponsoring Mexican boxer Rudy Corona, who should give Rose his toughest fight yet.

Corona, who holds the Californian Bantamweight title, has far more experience than Rose.

GIRLS ONLY

Girls, a new craze in stockings are "PEEK-A-NEES" from out of the "Naughty Nineties" with a wicked little motif near the knees.

According to manufacturers, these nylon will give your knees the zany, zingy, new fashion look that goes with swinging short skirts.

So be dancing and bring men to your knees.—JULIE MARLOWE.

"UWM" HAVE NEW DRUMMER

"Us Wot Motivate," that swing group, have a new drummer.

He is Pete Matthews, ex-"Wild Colonial" and "Gemini 5" and he's played at all the big spots.

As the boys plan to sign a

contract with Willard-King, drummer Kev Morgan had to leave as the RAAF forbids him to sign contracts.

Kev now plays for a group called "The Shifting Sands." "Us Wot Motivate" are entering the "Battle of the Sounds" this year—so watch out, this could be their lucky break. Incidentally, Pete Matthews is a good friend of Stan Rofe—so who knows?

DISC DIARY

Neil Diamond's recording of "Girl, You'll Be a Woman Soon" has just begun to climb the Australian charts.

British group The Who have two singles which look like being a success—"Pictures of Lily" and "I Can't Explain."

Have you heard Ronnie Burus' newie—"Exit Stage Right."

Sonny and Cher hit the scene again with a beautiful story. New Vaudeville Band hope to follow up their recent successes with "Finchley Central."

New record by The Seekers is called "Shake up the Party Myra."

I hear Sammy Davis Jr. is having a great deal of success with his recording "Don't Blame it on the Children."

Dino, you've done it again—Dean Martin's newie has just hit the charts. It's called "Let Some Happenings on Me."

Wenlock and Stevens were 19th and 20th men, and into the team were J. Murphy and K. Walsh from the Under-16 team for their first games this year. Continuing, Dennis Boyle's "good form" John Duncan lost the toss and Laverton kicked with the wind. Altona were first into attack, but sloppy kicking into the man on the mark was poor football. Walker opened the scoring with a point and Patton scored first goal. With Crump shining in the ruck and Zapart on top in the centre, it was all Altona.

Newton and Taylor repulsed the Laverton attacks and Altona had four goals on the board before Straker, who had raced up and down the field, eluded the Altona backs to mark and bring up Laverton's first score—a goal. At quarter time Altona led 6.6.42, to Laverton 1.0.6.

The second quarter started evenly until Crump, using his weight, burst through for a goal.

It was all Altona and the Laverton backs were under continual pressure. Sammy MacFadyen, who had been quiet early, scored three goals in a row. Newton and Hardham stopped Laverton from passing the half-back line and with a winning centreline of Peter Thompson, Zapart and Jensen, Altona led 15.9.99 to Laverton's 1.0.6.

The second half opened with Altona soon into attack and first goal came up in 30-seconds.

After goals by Patton and Calaz, Laverton recorded their first score since early in the first quarter—a behind—and also their last score.

The physically stronger and taller Altona side continued to dominate all phases of the game and although Laverton struggled manfully, Altona led 24.15.119 to Laverton's 1.1.7.

Ian Haugh, who had played with the Reserves on Saturday, and Bobby McIntosh were replaced by "Moose" Wenlock and John Stevens at three-quarter time.

Calaz, who had kicked seven goals in the third quarter, took a strong mark to register his tenth goal at the start of the last term.

Mike followed almost immediately with his eleventh and Holden's long kick was dead centre. With fresh ruckmen in Stevens and Wenlock, Altona scored goals at will as Laverton's resistance seemed to crumble. Eight goals in a row rushed and seven more goals were scored before a behind was came up before MacFadyen hit the post.

Laverton's first effort to pass half-back was turned by Taylor now at full-back and Crump halted their next attack. Back came Laverton and a chance to score was lost when their kick was off target and out of bounds. From the throw in Duncan cleared and Altona were starting to attack again when the siren ended a very one-sided game.

FINAL SCORES: Altona 41.19.265, d. Laverton 1.1.7.
GOALS: Calaz 1., MacFadyen 5, Patton 5, Holden 5, Walker 4, Page 3, Duncan 3 and Crump 2.
BEST: Crump, Calaz, MacFad-

yen, Duncan, Zapart and Newton.

NEXT GAME

Next Sunday Altona play West Newport at Loft Reserve, West Newport.

Calaz 37, MacFadyen 21, Patton 20, Wenlock 18, Duncan 14, Walker 14, Page 13, J. Holden 6, Boyle 3, Crump 3, Jensen 2, Davis 1, Lawson 1, Newton 1.

**TABLE TENNIS
NEWS****WINTER PENNANT**

In Cl. Grieve Highway and Altona North Technical School are equal favourites for the flag.

G. Lewis, E. Milner, D. Cook and N. Wynn form a steady team for Grieve, who have only been beaten twice. This week they allowed the strong Spotswood team only three rubbers out of 11.

Altona North Tech. accounted for Bradford Cotton Mills in a fairly close match at 7-4.

JUNIORS SHINE

The Hayes family team, of Altona, are again in the news. Stephen Hayes, playing with Independent in the Victorian Junior Pennant C Grade, aided his team to the finals in which they lost narrowly to Oakleigh.

Helen Hayes, however, made amends in fine form. Her team, Hakoah, won the premiership in Junior Girls B Grade Victorian and Helen went right through the season with only one defeat, an excellent performance.

This is her second premiership, and as she is only 14 years of age, it must certainly will not be her last.

**Pedal Club Rally at
Werribee**

On Sunday May 28, Altona travelled down to Werribee for the V.C.P.C. rally.

It was perfect weather and everyone enjoyed the outing.

Although Altona did not win any of the club awards, 3 individual trophies were won by Carol, Rita and Jeff Beband. It was Jeff's first trophy. Congratulations to the three of them and also the certificate winners, Christine and Eric.

Riders do not forget practice next week.

Next Sunday evening there will be no squash due to the holiday weekend.

Tournament matches will resume the following Sunday.

No. 1 Men's Pennant team had an easy win over Toorak with John Morley only losing three points.

No. 2 team all played well to defeat Robertson 4-0.

No. 3 team suffered a loss after a very close match. All teams are doing very well and the end of the season should see all teams in the final.

ALTONA CAR

STAN MCINTOSH

SAYS

Dear Readers,

Last week's comments by Graham were very interesting regarding un-roadworthy cars. I would like to continue on a bit further in my opinion on this very alarming matter.

It is a grim fact that the average Australian motorist has only three chances in four of escaping injury or death through a motor accident.

Last year three Victorians were killed every day on our roads, while countless others were maimed temporarily or permanently.

Such statistics are horrifying and needless, but, sadly, they are true and it means in effect that the odds are against having a pleasant holiday weekend because of the inevitability of our road toll.

An Australian Gallup Poll conducted in November, 1966, found the public almost unanimously in favour of compulsory annual inspection of motor vehicles.

Asked whether they were for or against compulsory annual inspection of all motor vehicles, a cross section of 2100 people answered—
Compel It 90%
Don't 6%
No Opinion 4%

A similar Poll conducted in 1965 found exactly the same percentages, only difference being 49 per cent. favoured Government Inspection Stations as against 43 per cent. in the 1965 Poll.

All three figures I have quoted can be verified by the Victorian Automobile Chamber of Commerce, so in view of these statistics I think it would be fair to say that the Victorian Government has a grave and urgent responsibility to introduce a sound State-wide compulsory safety inspection scheme for all motor vehicles.

Yours sincerely,

STAN MCINTOSH.

LAVERTON REPORT

By "Prog"

About three weeks ago it was suggested in this column that it was about time someone put the harness on "The Fireworks Racket." Well, it's on!

Numerous youths and children were spoken to by the police in Laverton and have taken heed of the warning.

Not so two youths (both aged 19 and should have known better). They were charged at Laverton police station with discharging fireworks in a public place (last Saturday morning).

Congrats to our police. This has been a cause of annoyance in many suburbs, and I am certain that other constabularies will soon follow suit.

One shopkeeper I mention this to was not very happy about it and stated that big chain-stores, etc., could sell these all year round, but the "little man" was now left holding the bag (full of fireworks, I presume).

Ah well, that's the way the cracker crumbles, but one thing in our favour, the two youths were not Laverton boys.

I thought I had better issue a small warning to those cyclists who persist in using the footpath to ride on. The police are ready to pounce on anyone committing this offence.

My advice is: "Using the footpath will put you on the wrong road."

Watch out for prosecutions. I wonder how many Laverton residents have learnt to fly in

the past few years. There are seven "boys" (I use the word loosely) in Werribee who hold private flying licences and have their own club and strip. Are there any Laverton (private) pilots?

Looks like Border Creek will be covered in. If this is the case then all our storm water will go via pipeline to the proposed lake in Altona. I think this is a good scheme. Let's hope it doesn't get fouled up with politics!

Suggest it is called "Lake Laverton" since we are supplying the water and Altona only the hole.

No sign of lights at the "Top End" yet.

I understand that a number of RAAF boys are just about due for "demob." Let's hope they choose to remain with us in Laverton. Some of them are married men with children and it looks like the only available blocks are starting to rise in price as fast as the population of China.

Ex-Servicemen will soon be unable to afford a deposit on these blocks unless the agents realise that they have to attract the family man—not the investor.

Two Laverton residents were naturalised last Wednesday.

They were Mrs. E. Nagy, 46 Thomas-st., and Mrs. M. Green, 5 Studley-crt. Congratulations, Aussies!

More next week.

"PROG."

BOYS' BRIGADE BUSY

Certain members of the Altona Boys' Brigade look like experiencing pretty cold weather when they trek across land in the Mt. Macedon area this weekend.

At present most of them are busy packing rucksacks in preparation for the hike which should give them experience in walking with a heavy pack, rock climbing, map reading, camping, cooking and team work.

Warrant Officer Dunkley has returned from his one-and-a-half days ordeal at an officer's training camp, which he attended last week. It was held at Astor Lodge, Belgrave Heights.

Band practice is now on Friday night instead of Thursday, as this will ensure a better attendance.

For the past fortnight boys have been practising for the in-

ALTONA NORTH TECH. ENTER RUGBY UNION COMP

On Saturday, June 3, the residents near Langshaws Reserve, Altona North, were intrigued by the actions of two teams of schoolboys playing a game of football.

The teams were from Altona North Technical School and boys from Scotch College. They were participating in the Under-14 A Section of the Victorian Junior Rugby Union competition.

Unfortunately for the Altona North team the lads from Scotch College proved a well-trained, disciplined side, who showed the Altona boys how Rugby should be played and at times left them completely bewildered by their

door games which will be held at Malvern soon, when the Battalion will compete for laurels.

fast team work.

It was amusing at times to see the Altona team reverting back to the Soccer and Aussie Rules Codes.

Once the full-back, Fred Borg, punched the ball away from the goals, endeavouring to save "six points."

During the first half the visiting team scored nearly at will, but after the interval the Altona boys were beginning to get the hang of things, especially the forwards, namely, Ross Ritter, Barry Hawkrige, Graeme Richards, Steven Bulmer and Clint Elso. These boys combined well in winning the ball and worried Scotch.

Unfortunately for them every time they won the ball the team lost 20 to 30 yards for the back-line could not become mobile. Special mention must be made

of a great run by Charles See who received the ball from I Cummin near the 10-yard line and hotly pursued by a pack of boys in red jerseys (Scotch), 90 yards, scored the only try. Unfortunately for Altona Charlie didn't know should have grounded the ball nearer goals, making it easy to convert.

With more games behind them and some solid practice, we expect Altona North to improve and begin to win matches.

Next game is against Harquins at Glen Iris this coming Saturday at 10-30 a.m.

Any boys in Altona who are desirous of playing Rugby contact Mr. W. Nichol, Altona North Technical School, or attend practice at the Carl Black ground in Millers-rd. Thursday evenings.
